Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

This paper is filed in response to the official action dated September 26, 2002.

IN THE CLAIMS

Please amend the following claim and add the new claims identified below:

(Amended) Claim 27. The laser system of claim 23 wherein the filter is a Bragg Fiber Grating.

Claim 29. The laser system of claim 1 wherein the modulator is a surface acoustic wave (SAW) device.

01/16/2003 AFORD1 09000003 120415 09829781

02 FC:1202

84,00 CH  
36,00 CH

Claim 30. A laser system with self-injection locking, the laser system comprising:  
single frequency laser having a laser output for delivering laser light at a frequency  $\omega_0$ ;

(b) an optical modulator coupled to the output of the laser for generating two
